

Dear Parents,

For this Christmas term we are taking part in the 'Christmas Card Design Project for Schools' run by Caterpillar Cards. The aim of the project is to encourage and inspire children in their artistic and creative ability and at the same time raise funds for the school.

Enclosed is a sample produced by Caterpillar Cards from your child's original artwork. It is very exciting for your child to see their design work as a finished Christmas card.

The cards are of a high quality and would make great family Christmas cards for sending to friends and relations at Christmas. The cards can be purchased for £5.50 for the first pack of 12 cards and matching envelopes and £4.50 for each additional pack per child.

Please order your cards by filling in the enclosed order form. Cheques should be made out to
